EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Oleg Ioselevich, Esq. on December 23, 2009 at ~10:31 AM EST. It is unnecessary for Applicants to submit a summary of the telephonic interview on December 23, 2009.

The application has been amended as follows:

(1) Replace "Figure 24" on page 73, line 20 of the specification with "Figure 3".

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the reasons for allowance stated in the notice of allowance mailed on November 13, 2009 are herein incorporated by reference. The instant supplemental allowance is being issued to correct an obvious typographical error in Applicants' specification that was identified by the printer in a printer query dated December 7, 2009. Support for the above amendment to the specification is found at page 18, line 22 (i.e. description of Figure 3 in the "Brief Description of the Drawings"). Figure 3 corresponds to Example 24, where the above typographical error is found; thus, no new matter has been introduced by the above amendment and the instant application is allowed.

Art Unit: 1616

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
